Ministry Formation Center

St. Catherine Laboure - Torrance

These sessions explore the language we use in our Catholic Christian tradition to speak of God, our experiences of God and who God is for us as a people of faith. We trace the Church's understanding of God's self-revelation, and the fulfillment of that revelation in the person of Jesus Christ as we come to know him in the Sacred Scriptures. We also look at the foundational themes in Catholic morality, the development of conscience, and the social justice tradition of the Church as well as our self-understanding as Church, our ways of celebrating together God's presence among us, and the expressions we give to these realities sacramentally.
